Subject: Application for replacement of the black boards in classrooms.

Sir,
Respectively I want to state that the condition of the black boards in the classrooms are very pathetic. Students are not able to read what is written on them properly. Hence lessons in classrooms are not understood by the students effectively and quality teaching in convenience caused to the students, request you to get them replaced. There are 25 classrooms in the college, so there is a need for 25 black boards.

Therefore, I request you to do this as soon as possible.

Thanking you.

 Daniel
